

NOTICE REGARDING ADOPTION OF PERMANENT POLICIES IN RESPONSE TO COVID-19

Effective September 16, 2020, the G-I Holdings Asbestos Personal Injury Trust (the “Trust”) adopted certain policies in response to COVID-19 (the “COVID-19 Policies”). The Trust extended the COVID-19 Policies three times, most recently through March 31, 2021. After discussion, the Trustees agreed to adopt the COVID-19 Policies set forth below as permanent policies of the Trust effective March 31, 2021:

1. Any claim documents submitted to the Trust’s claims processor, Verus Claims Services LLC (“Verus”), that require a signature may be executed by electronic signature through DocuSign or other form of electronic signature approved by the Trust. Law firms shall maintain the audit trail for all electronic signatures.

2. If an affidavit or release submitted to the Trust requires authentication by a notary, the Trust waives the requirement of a notary. In place of the notary requirement, the Trust will require that (i) the affidavit or release explicitly state that it is made under penalty of perjury in the format prescribed under applicable state law for such unsworn declarations or, if not authorized by state law, in the format prescribed by 28 U.S.C. Section 1746, and (ii) the affidavit or release must also be executed by a witness, who may be a family member.
